Call to Confession

Deacon Janee Trotman

Confession of Sin

God is here, Christ is present, and the Holy Spirit surrounds you.

**But we have turned our eyes to the challenges of this life,
lost our focus on God and are sinking in sin.**

You can begin again. Imagine a new way of being.

We have cast aside our dreams to maintain the familiar.

We have cast aside the dreams of others, fearful of what they might mean.

God loves you, Christ will lift you from the waves of doubt

and the Holy Spirit will rescue you from currents of insecurity and alienation.

Affirmation of Faith

Let us confess the faith of our baptism, as we say:

**Together we confess that God unites us in faith. Together we come to know the
height, and the breadth, and the depth of the love of Christ. Together we are built
up to the full stature of Christ. Together we know and bear one another's burdens.**

We admonish one another. We comfort one another. We suffer with one another. We need one another. We build up one another. Together we pray. Together we serve God in this world. Together we fight against all which may threaten or hinder this unity. Thanks be to God. Barbara Hedges - Goettl. Used with permission.

***Benediction**

Elder Damon Green

May the blessing of the God of peace and justice be with you.

May the blessing of the Son who weeps the tears of the world's suffering be with us.

May the blessing of the Spirit who inspires us to reconciliation and hope be with you.

We go in peace!

Postlude

Wade in the Water

Wade in the water, wade in the water children
Wade in the water, God's gonna trouble the water

Who's that band all dressed in red?
God's gonna trouble the water
Must be the children that Moses led
God's gonna trouble the water.

Wade in the water, wade in the water children
Wade in the water, God's gonna trouble the water

Who's that band all dressed in white?
God's gonna trouble the water
Must be the children of the Israelites
Oh, God's gonna trouble the water

Wade in the water, wade in the water children
Wade in the water,

God's gonna trouble the water

Who's that band all dressed in blue?

God's gonna trouble the water

Must be the children that's coming through,

God's gonna trouble the water, yeah

Wade in the water, wade in the water children

Wade in the water, God's gonna trouble the water.
